Premium Amana[®]
Brand Quality

High-Efficiency, Two-Stage
Scroll Compressor

ComfortNet[™] Communicating
Systems Compatible

HIGH-EFFICIENCY AIR CONDITIONER

ASXC16 | Up to 16 SEER

Distinguishing features:

**ComfortNet™
Communicating
System Compatible**

Thermostats have evolved beyond just indoor temperature adjustments, and a ComfortNet communicating control offers an abundance of easy-to-use, comfort-enhancing capabilities on its stylish touch-screen LCD display. From programmable, scheduled temperature settings and optional remote system control to continuous performance monitoring and automated maintenance alerts, a ComfortNet control offers an advantage in home comfort and control compared to non-programmable thermostats.

**Quiet
Performance**

You can be assured that your Amana brand air conditioner will provide you with quiet operation. To minimize operating sounds, we've acoustically engineered our systems with enhancements that include a compressor sound-reduction cover made of high-density foam and a specially designed sound-control top.

**Energy
Efficiency**

Energy efficiency equates to cost savings. Your Amana brand ASXC16 Air Conditioner offers up to 16 SEER energy-efficiency performance. "SEER" stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the cooling efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency—and the lower the operating cost. Compared to lower SEER units found in many homes, an Amana brand ASXC16 Air Conditioner provides significant savings on your electric bill.

How the Amana® brand makes your decision easier

The purchase of an indoor comfort system is not one to be taken lightly. However, it's one you can make with an air of confidence when you consider all that distinguishes the venerable Amana® brand.

Comforting craftsmanship

Innovative engineering, world-class manufacturing processes and the relentless drive to ensure each unit lives up to our uncompromising standards—these attributes define the Amana brand and result in the premium performance homeowners have come to expect from an American legend. Assembled in facilities in Tennessee and Texas, Amana brand air conditioners are built to last and last and last.

Confidence-inspiring compressor

With Amana brand air conditioners, your comfort and savings start with a high-efficiency Copeland® scroll compressor designed to provide years of reliable cooling comfort. Featuring the latest compression technology, overload protection and

efficient design, the scroll compressor is complemented by our durable, high-efficiency condensing coil, which is made with corrugated aluminum fins and refrigeration-grade copper tubing.

*The security of the Amana brand's amazing limited warranties**

To truly seal the deal, Amana brand indoor comfort systems are backed by industry-leading limited warranties*. The majority of our HVAC products are covered by a Lifetime Unit Replacement Limited Warranty*, while all Amana brand products feature a 10-Year Parts Limited Warranty*. Together these warranties combine to offer homeowners a level of purchase protection that's the stuff of legend.

**LIMITED WARRANTY*
PROTECTION**

* Complete warranty details available from your local dealer or www.amana-hac.com. To receive the Lifetime Unit Replacement Limited Warranty (good for as long as you own your home) and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

Heating & Air Conditioning
Amana
LASTS AND LASTS AND LASTS.®

The Amana® brand ASXC16 High-Efficiency Air Conditioner advantages:

- ✔ **ComfortNet™ Compatible** – Continuously monitors system performance and allows remote control of system as an option.
- ✔ **High-Efficiency, Two-stage Scroll Compressor** – Designed to provide years of reliable cooling comfort, it provides up to 16 SEER cooling performance for lower energy bills compared to lower SEER, single-stage compressors.
- ✔ **High-Efficiency Two-Speed Condenser Fan Motor** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
- ✔ **Copeland® CoreSense Diagnostics** – Advanced diagnostics constantly monitor your air conditioner system, reducing failures and pinpointing trouble spots for a fast fix.
- ✔ **Efficient Cooling Capacity** – Five millimeter, refrigeration-grade premium copper tubing and aluminum fin condenser coil configuration deliver outstanding heat transfer properties with R-410A refrigerant.
- ✔ **Factory-Installed Inline Filter Drier** – Protects the refrigerant system from dirt and moisture for longer service life compared to a unit without a filter drier.
- ✔ **Quiet Operation** – Acoustically engineered, high-density sound control blanket helps to reduce noise levels compared to units without sound blankets for years of quiet comfort.
- ✔ **Heavy-Gauge Galvanized Steel Enclosure with Sound-Control Top** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
